

Model: SD0502

# ProAccurate® Portion Control Scale

## Kitchen Measurement Tools

5 pounds/2.27 kilograms

The ProAccurate® Digital Portion Control Scale (SD0502) joins the exclusive CDN line of NSF® Certified digital portion control scales, providing foodservice kitchens unprecedented quality and value. Equipped with a removable stainless steel platform and a heavy-duty food-safe ABS case, this model offers a 5 pound capacity for accurately weighing a wide variety of items. The SD3302 features field calibration to ensure accuracy over time, an easy-to-read LCD display with selectable units, tare and data hold functionality, and battery status indication. It comes with an AC adapter to preserve battery life.

## Features

- Tare function
- Data hold
- Field calibration
- Removable stainless steel platform
- Batteries/power adapter
